

An abstract watercolor artwork featuring a dark, swirling background of blue, green, and purple. Several geometric shapes, primarily pentagons and hexagons, are scattered across the composition. These shapes are filled with vibrant colors: red, yellow, and blue. The edges of these shapes are defined by thin white outlines. In the lower right quadrant, a red spider is depicted on a blue pentagonal shape. A white crescent moon is visible on the left side of the image. The overall style is expressive and artistic.

TACTUS

Spiders, spirals and frogs
